THE WILDCAT

"Class of 81"

Callisburg, Texas

Mrs. Erma Lee Favors

Mrs. Favors is retiring after thirty-one years in the education field. She has been in the Callisburg School System for the past five years. She has a husband, Winfred, a son, Fred, and a daughter, Trina and two small grandsons, Trey and Josh. Trey and Josh are pretty special in Mrs. Favors life and we have a feeling she is going to make up for lost time with these little ones now that she is retiring.

Mrs. Favors you have been an outstanding teacher and a good friend and we students and teachers here at Callisburg High School shall miss you. We wish for you the best and may your future be all that you hoped for.

Message

As we prepared this book, we could think of no words more appropriate to convey our wishes to you than those written in the words of our School Song.

Dear Callisburg High School
We love you over all.
We'll always remember
Times spent within your halls.
When'er we leave you
And look back in the past
We kr ~w the treasured hours
nold
In Memory will last.

Callisburg High School
On us you can depend
To always love you and stay true
To you until the end.
God bless you, Callisburg,
And keep your honors high
That you may grow in truth
and love
As all the years go by.

We hope this book brings you lasting memories of your 1979-1980 school days at Callisburg Schools.

Sincerely,
The Annual Staff

Doubling our pleasure!

Perfection at work!

It's the time to get high!

THE THRILL OF VICTORY

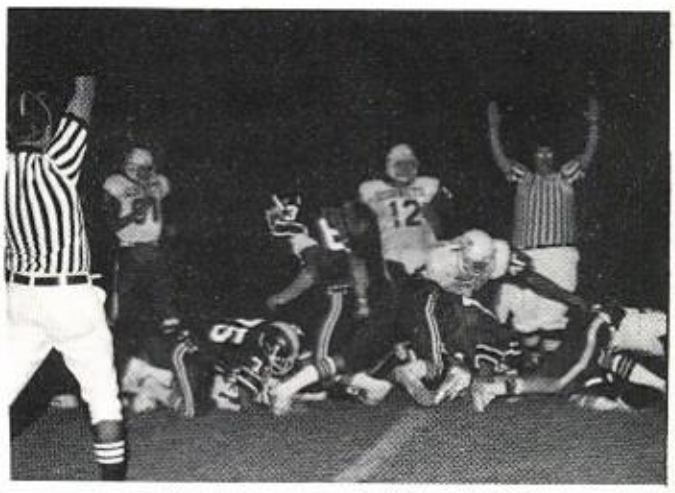
A night to remember!

Danny, Johonna, and Brad share the honors.

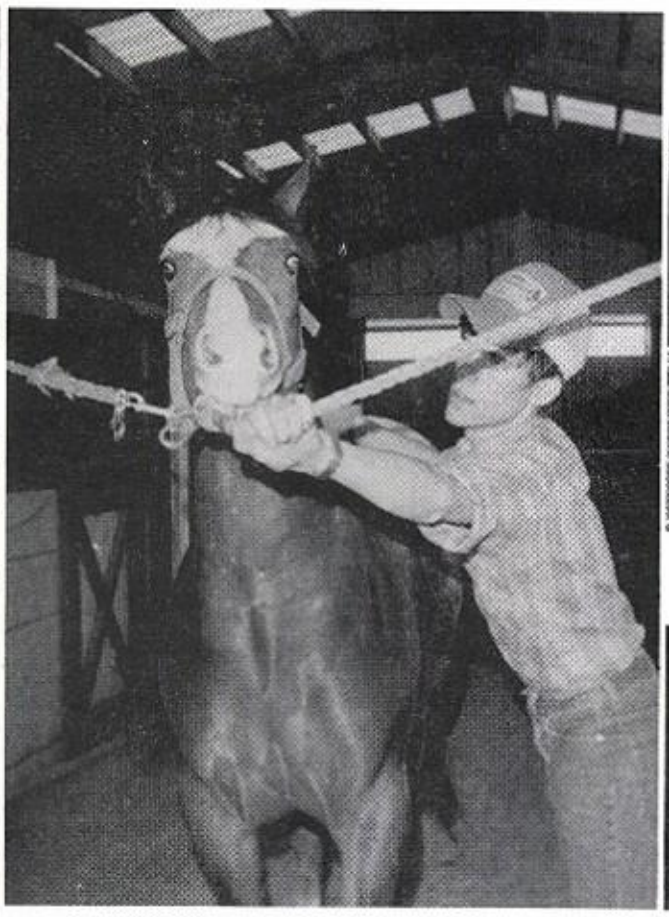
Junior High here I come!

One little step too late!

Queen for a year!

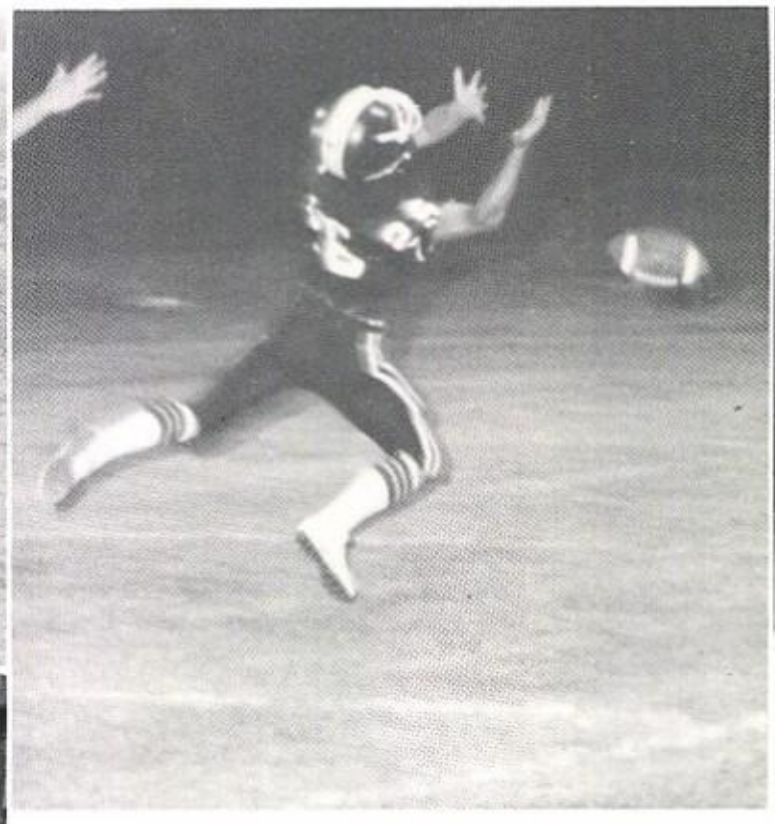


Touchdown!!

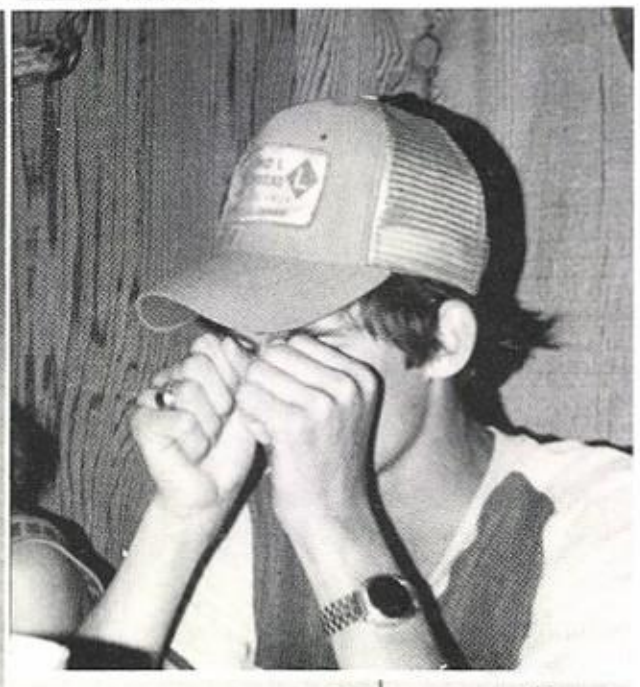


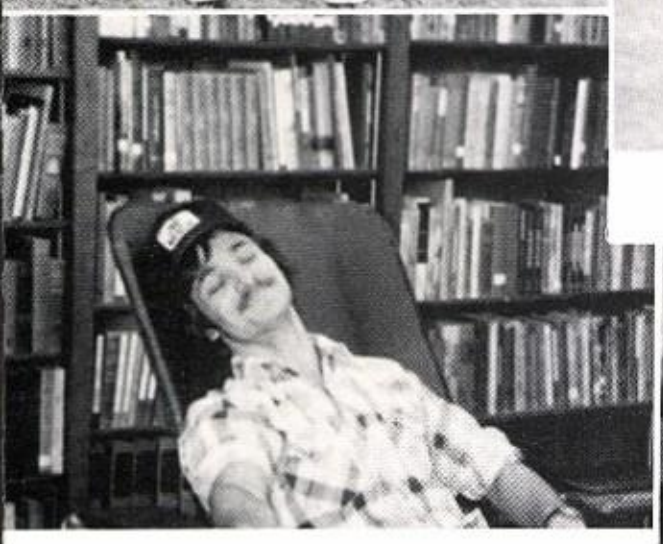
Coming through for CHS!

THE AGONY OF DEFEAT



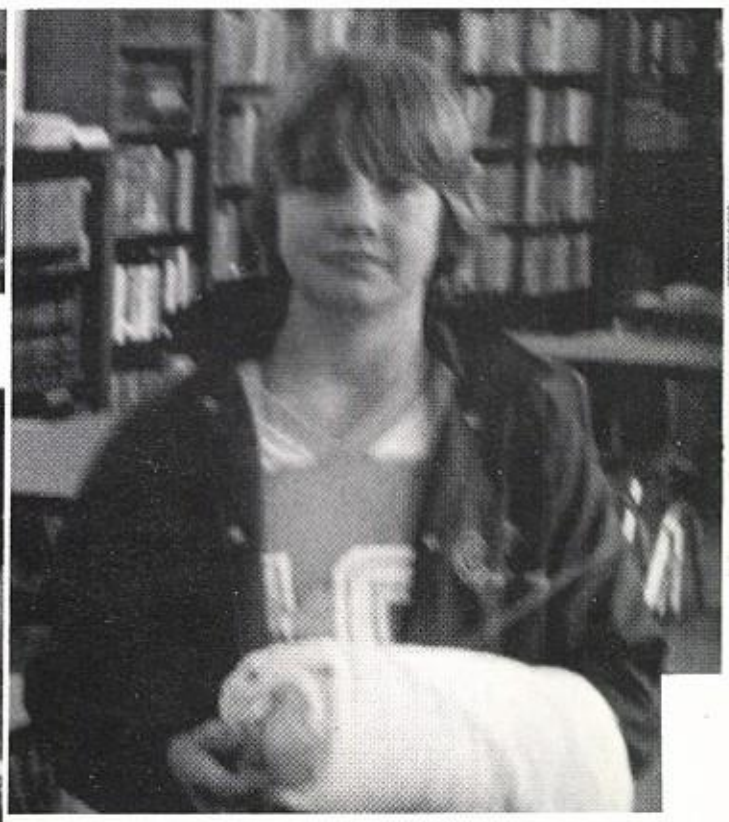
I let it slip through my hands.





Freely I gave!

There'll be other try-outs.



I won't try that again!

I could run faster if you'd let go, Kinzy!

Spit King outspitted!

COOKE COUNTY COLLEGE

Cooke County College is proud of its expanded role as a true community college, the most economical and the most practical means of providing educational opportunities for college-age students, not bound by the overcrowded, impersonal environment so prevalent on many four-year college campuses, CCC offers low-cost quality education and room for more meaningful growth, both intellectual and personal.
